***Personal Data Fusion
is **artificial intelligence**
that synthesizes
information from
multiple siloes so you
know **what to do next.*****

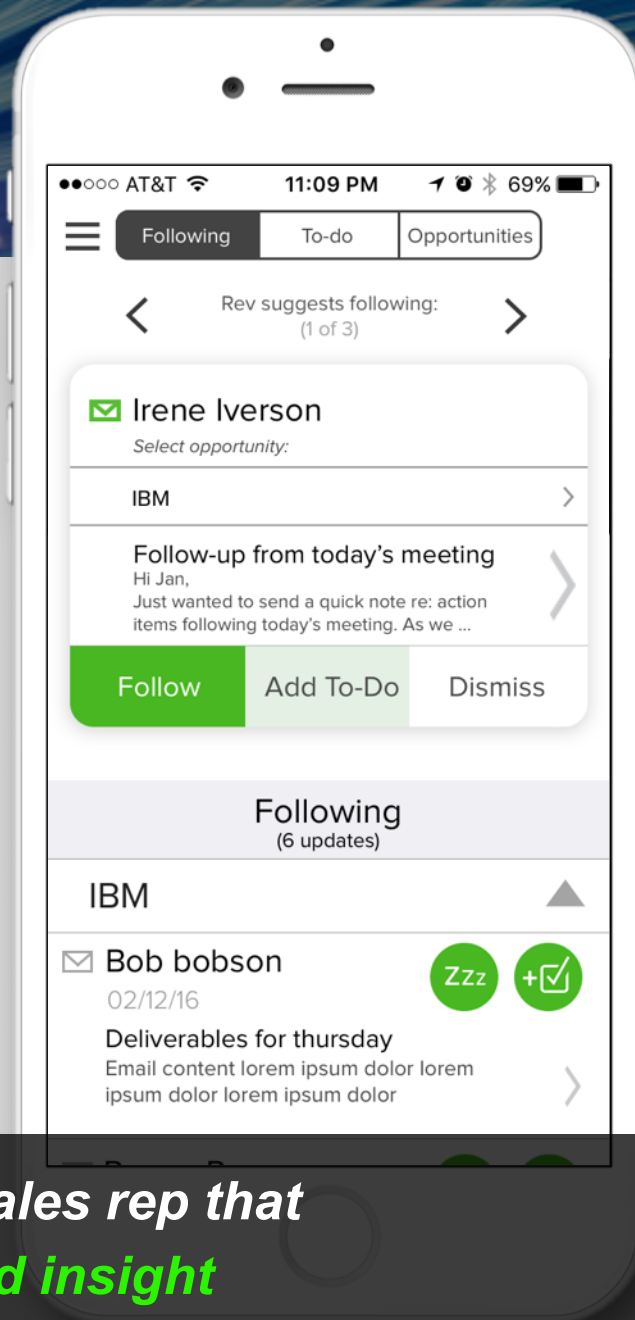

Rev Is The First Tool Focused On The Middle Of The Funnel

Rev is an AI-driven personal assistant that increases rep responsiveness

- Learns about active deals
- Surfaces deal-related messages
- Automatically organizes deal info
- Helps mobilize team members

Powered by ModuleQ's unique, cloud-based Personal Data Fusion platform

**74% of buyers choose the sales rep that
was *first to add value and insight***

Radically Simple IT

By designing and deploying enterprise systems in a different way, Japan's Shinsei Bank turned IT from a constraint into a launchpad for growth.

by **David M. Upton and Bradley R. Staats**

“ entrepreneurship is the pursuit
of opportunity beyond resources
controlled
