Spring 2010 Seminar Series**

Healthcare and IT Opportunities for Entrepreneurs in China

**Dr. Yuan Tian
Chairman,
SVCWireless**

The Chinese government's four trillion RMB (US\$ 586 billion) economic stimulus package (March 2009) allocates massive funding for infrastructure development, including earmarks for healthcare and next-generation IT. Our panel discusses how entrepreneurs fit into this rapidly changing landscape. Topics will range from privatized healthcare delivery in China to information and communications technology products and services.
